Conway can help your EDO promote itself on the international stage and “access a real world of opportunities,” at Mipim 2020.

Taking place each March in Cannes, France, Mipim is the world’s leading real estate market, business conference and networking event.

Over the years, Conway has built a strong network of multipliers attending Mipim; people who have a direct say or influence as to where flows of FDI are going around the world.

We estimate that out of the 26,000 attendees coming from over 90 countries, 3,000 are global site consultants, multipliers, and key corporate decisionmakers and over 6,000 are investors seeking new business opportunities. We can help you meet them!

For the 2019 conference, to support your FDI attraction goals, Conway is opening up to you our global corporate decision making network by offering two appointment scheduling program options.

### Program Deliverables:

- Scheduling of a minimum of 6 or 12 one-on-one meetings with international multipliers (site selectors, lawyers, accountants, developers, etc.) and/or real estate developers/investors.
- 1 free all access pass to MIPIM (\$2000 value)

Participants of the 2019 program, the Texas Association of Realtors, and the San Diego Association of Realtors, the City of Frankfurt and the City of Sheffield, UK met with over 60 real estate investors/multipliers combined.
